

Circular No. 36/2020-21

Date: 02 Sep, 2020

Dear Parents,

We hope you all are fine and safe.

At Bal Bharati Public School, Noida it has been our constant endeavour to instil values, culture and traditions of our Motherland, India amongst our tiny tots at the grass root level. In continuity with our national ethos, we request our Pre Primary and Primary School Parents to download the 'Kutuki' App, India's first learning Swadeshi App that uses a proprietary story and song based curriculum to attract our young learners. The App comprises videos based on stories on various concepts through the most interesting medium of songs that makes it one of its kind. Children will easily connect with the characters because they are purely Indian, and will enjoy having them as their learning companions.

Please be informed that at Pre and Primary level, this App is a strong recommendation by the drafters of NEP (National Education Policy) and therefore we request our stake holders, the parents to join hands and make learning joyful for our tiny tots.

Downloading of App is purely optional for parents.
