Dear Parents,

The school is duty bound to provide a safe environment conducive to learning. It is being observed that the students are being dropped off by the parents (own arrangement) and private vans much before 7.30 a.m.

Henceforth, it has been decided by the School Authority that the students will be permitted inside the school premises from 7.40 a.m. onwards only. This ruling will come into effect from **18 Sept 2017 (Monday)** onwards.

It is also requested of the parents to park their vehicles properly and not to block the road in the morning hours to allow smooth entry to the Staff and Students
