

Circular No.01/2020-21

Date : 08 Apr, 2020

Dear Parent,

Refer to CBSE circular No. Acad-23/2020 dated 03 April, 2020 wherein the Govt. of India has urged all it's citizens to download the Arogya Setu app.

The app has been developed by Government of India to fight against Covid-19. The app will help people in identifying the risk of getting affected by the Corona virus. It will calculate this based on their interaction with others, using cutting edge Bluetooth technology, algorithms and artificial intelligence

Once installed on a smart phone, the app detects other nearby devices with AarogyaSetu installed. The app can then calculate the risk of infection based on sophisticated parameters if any of these contacts has tested positive.

The Arogya Setu app is available for downloading on both android devices and iOS devices.

Android : <https://play.google.com/store/apps/details?id=nic.goi.arogyasetu>

We urge all parents and students to download the app and help maintain a safe distance from the Corona virus.
