Date: 19 May, 2020

Dear Parent,

ONLINE PTM FOR CLASSES PS TO XII

***CHANGE IS A PROCESS, CHANGE IS A CHALLENGE...
but if you are up for it...the change you make may be just what you need to make your life shining!"***

The year 2020 has brought with it many challenges, but has also brought in a lot of learning for all of us.

These are exceptional circumstances and we are very proud of the positive way in which our young children have learnt to adapt and cope with the new channels of acquiring knowledge.

We take this opportunity to thank the entire parent fraternity, for being a pillar of support as always and holding hands in our endeavour, to provide online educational opportunities and experiences to the children, in these troubled times. Further, we would like to assert that for the healthy development of a child, interaction between the parents and teachers is a must.

To facilitate this, we have scheduled our Parent Teacher Interactions from 22 May to 30 May, 2020 in a staggered manner through Google Hangout Meet. PTM slots have been fixed Roll Number wise for the convenience of all. Specific slots allotted to each parent will be shared separately by the Class Teachers through Class Broadcast Groups. Google hangout link will be shared on the day of the PTM by the Class teachers one hour prior to the meeting.
