

ONLINE ASSESSMENT AND e-CAMP **W.E.F. 01 JUNE TO 12 JUNE, 2020**

Dear Parents,

- In pursuance of CBSE Circular No. Acad-34/2020 dated 14 May, 2020, with **Competency Based Learning** as the theme of 2020-21, it becomes imperative to conduct the Objective assessment having predetermined, correct responses items like MCQs and short - answer written responses based on what students know and know how to do. The measurement of the Learning outcomes is crucial to the success of Competency based education (CBE).
- To achieve this goal, the school will be conducting Round I / Pre Term Online Assessment for the students of Classes VI to X as per the schedule promulgated on broadcast groups. (See Annexure 1).
- A doubt clearing session of an hour's duration will also be conducted by the respective subject teachers a day prior to the exam. (See Annexure 2).
- With the continuation of the COVID-19 pandemic, parents' summer plans — which are often locked into place way back in January — have been thrown for a loop. The school is holding an E camp for the students of Classes VI to X that will not only keep students busy and active while maintaining safe social distancing but will also make them confident and skilled.
