

Circular No. 41/2020-21

Date: 01 Oct, 2020

ADVANCE INTIMATION
(FOR CLASSES IX & XI)

Dear Parents,

In view of the exceptional circumstances we all are in due to the ongoing pandemic, it is my appeal and sincere request to the parents not to allow their wards to resort to unfair means while attempting the online exams from home.

So far the Round / Pre Term Tests conducted through Google Forms have been successful but the experts have pointed out on the reliability of such exams. There is no doubt that our teaching staff ensures the learning outcomes of each child during the online teaching on a day to day basis.

In view of the above circumstances, for Classes IX and XI, there will be 100 Marks Pen and Paper Test in February, 2021 (dates to be announced in December) out of the syllabus prescribed by CBSE and a minimum score of 33% and above will be desired for promotion to the next higher class. Also, note that the weightage of the online examination will not be the same as yester years. For the online weightages, we are waiting for the CBSE guidelines.

Also, w.e.f. 15 Oct, 2020 in a phased manner and as per the Govt. guidelines and Safety SOP, students will be called to clarify all doubts and undertake remedial classes, if required.

The issuance of this circular is to apprise that Promotion to the next higher class (for Classes IX & XI) is purely based on the learning outcomes achieved by the child through online classes and the FINAL PEN AND PAPER TEST to be held in February, 2020.
