Dear Parents,

- The National Handloom Day is celebrated on 7th August every year. The Indian handlooms are a reflection of our traditions and skills which the weavers and artisans have acquired from their ancestors and will be passing on to posterity. As citizens of this nation, it is our responsibility and duty to keep alive the culture, tradition and heritage of India

The handloom sector occupies a distinct and unique place in the Indian economy besides being the largest generator of non-farm rural employment.

In the present scenario where dependency on foreign capital and know how is increasing all around, the handloom industry presents a sustainable model of economy.

It provides employment to the rural population and helps in elevating the living standards of India

This industry is largely household based and is carried out with the labour contributed by the entire family.

The Handloom industry is eco-friendly and is not energy intensive, the capital cost is low and utilizes the skill set of the individual extensively.

- Bal Bharati Public School, Noida appeals to its parent fraternity to give impetus to the handloom sector by using more and more **Khadi/Handloom** products in our daily lives. Let us all adopt handloom and once again connect with freedom movement and Gandhian Values. **If we have the ‘Khadi’ spirit in us, we would surround ourselves with simplicity in every walk of life.**

- On the occasion of Gandhi Jayanti, students from Classes I to XII can wear **Khadi costumes** to the school on all working days between 03 Oct 2016 and 30 Oct 2016 in order to promote the economical status of the weavers of the country. A khadi Kurta Pyjama or a Suit/Skirt can be worn by the students, giving school uniform a secondary place, and some relief from daily washing. Parents are to note, wearing of Khadi clothes for the month of October is optional, not mandatory.
