

Circular No.52/2020-21

Date: 25 Nov, 2020

Dear Primary School Parents,

Please find attached a list of Extra Curricular Activities undertaken by the Primary School for the month of November, 2020 and other activities proposed for the month of December, 2020.

You are requested to ensure the participation of your ward in such enlisted activities for the overall holistic growth of your child.

Also, ensure your children communicate with a wide variety of peers and elders about the chosen activities. This way, they are likely to develop vocabulary, present ideas appropriately and will be able to write clearly and concisely.

Warm Regards,
