

CBSE MANUALS

Dear Parents,

CBSE has dedicated this academic session 2020-21 for '**Competency Based Learning**'. Skills connected to **Critical & Creative thinking, Problem Solving, Collaboration and Communication** are core to successful living in the 21st Century. To focus on the importance of these competencies, the Central Board of Secondary Education has brought out manuals for the students.

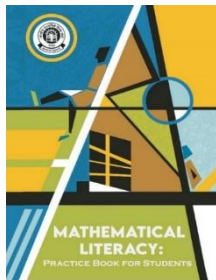

'**Cogito**' and '**The Question Book**', the two cartoon series have been released to promote 21st Century skills through joyful reading. These Comic Books will also be a good resource to the students for **PISA** (Programme for International Student Assessment) 2022. Learning and understanding the process of problem solving and recognizing its patterns is a lifelong activity and a skill that can be applied both in personal and professional lives.

Both these Cartoon Series are available on CBSE website and also on Diksha Portal under the following links:

CBSE Website: http://www.cbseacademic.nic.in/web_material/ComicBooks/Cogito.pdf

Mathematical Literacy: Practice Book for Students, a workbook has also been released to allow learners of Classes VII to X to examine problems related to real life situations and solve such problems. The design of this book promotes learners to work in a self-directed manner with minimal support of teachers or parents.

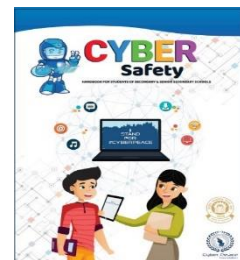

This Practice Book is available on CBSE Website at the link

CBSE Website: http://cbseacademic.nic.in/web_material/Manuals/math-literacy.pdf
Diksha Portal: <http://bit.ly/MathsCCTPractice>

A Handbook on Cyber Safety for Secondary and Senior Secondary Students released by CBSE aims to comprehensively cover all aspects of digital literacy and safety. It engages the students in learning about responsible online behaviour, their rights, freedoms and responsibilities along with basic awareness about personal security and safety. This manual also contains quick tips for students for online safety.

This Handbook is available on CBSE Website at the link

PARENTS ARE REQUESTED TO ENSURE THAT THEIR WARD REFER TO THESE BOOKS DURING THEIR FREE TIME. BOTH THE CARTOON SERIES WOULD CERTAINLY PROMOTE AND ENHANCE VARIOUS CRITICAL THINKING SKILLS AMONG THE STUDENTS. THE LEARNERS WOULD ALSO ENJOY WORKING IN THE MATHS PRACTICE BOOK. IT IS OUR COLLECTIVE RESPONSIBILITY TO TEACH DIGITAL LITERACY AND ETHICS TO THIS 'E- GENERATION'.

Looking forward to your co-operation and support in this endeavour.
