Date : 16 Apr, 2020

BRICS MATH ONLINE COMPETITION 2020

Dear Parents,

BRICSMATH.COM is an annual International competition in Mathematics for students of Classes I to XII of 07 BRICS countries (Brazil, Russia, India, China, South Africa, Indonesia and Vietnam). The competition is held online on the website www.bricsmath.com and is completely free of cost.

The purpose of the competition is to cultivate interest in Mathematics and develop logical & reasoning skills as well as to unite children from different countries. The BRICSMATH tasks empower students to develop out of the box thinking skills and does not require any in-depth knowledge of school curriculum. This year, the preparatory round for the online competition is scheduled from **22 April, 2020 to 22 May, 2020**. The main competition will take place from **14 September, 2020 to 30 October, 2020**.

Interested students of Classes I to XII are required to forward their names to the respective **Mathematics teacher** latest by **18 April, 2020**. Teachers will send individual logins and passwords to the students after registering them. Using their own logins and passwords, students will be able to log in on bricsmath.com and solve the tasks. Students will get certificates on completion of the competition that will be available in their personal accounts on bricsmath.com.

The online format allows every child to take part regardless of their level of knowledge, social and geographical background. For that reason, parents are requested to motivate their ward to participate.
