

ADOBE DIGITAL DISHA PROGRAM **(FOR STUDENTS OF CLS VI – XII)**

"I hear and I forget. I see and I remember. I do and I understand."

- Confucius

Dear Parents,

Towards the aim of creating an Innovation Ecosystem in the country, Adobe is supporting the Atal Innovation Mission – Atal Tinkering Lab initiative. Adobe has signed a statement of intent (SOI) with NITI Aayog with an objective to co-lead the creation and handholding of Atal Tinkering Labs. It is a matter of great pride that the school has been selected for support by Adobe under the aegis of Atal Tinkering Lab Programme.

Keeping in mind the rapid growth of new skills for students in this digital era, Adobe has introduced a course, Adobe Digital Disha, a training program to help students in enhancing their digital creativity and bringing a change in the learning process.

This program allows educators and students to think, create and transform their ideas into digital stories in the most creative way for better learning outcome using **Adobe Spark** – A powerful creativity, presentation and storytelling tool. **Adobe Spark** can be used by students for **creating assignments, making projects, designing reports, creating posters, creating blogs, sharing experiences in the form of storytelling etc.**

To register in the Adobe Digital Disha program, following steps are to be followed:

1. Click on the email received on 17 September, 2019 from message@adobe.
2. Click on the sign up button, entering user ID & password of your choice.
Minimum length of password should be 8 characters. It must contain one uppercase and one lowercase letter. It must contain one special character. It must contain two numeric characters.

Training sessions for the students will be conducted by the professionals from Adobe. All the students are required to register for the programme at the earliest.

Parents are requested to extend their full cooperation in this initiative and coordinate in making the ATLs a success.
