Circular No.9/2019-20

Date : 16 Apr, 2019

Dear Parent,

The School embarks on the mission of refining learning by emphasizing on quality education and providing the students with a comprehensive academic curriculum, supported by a system of instructions that encourages multiple intelligences amongst the tiny tots.

To fulfill the desired goal, the Pre-Primary Department has taken an initiative in this direction and designed Assignment Booklets for Classes Pre-Primary I & II. We have incorporated multifarious activities based on the basic principles of Development i.e., going from 'Known to Unknown' and from 'Simple to Complex.'

The Students will be provided with Term wise Assignment Booklets (For Term-I, Term-II & Term-III) which will be in sync with the curriculum. We hope students will be able to enhance their learning abilities and make an effective use of this Assignment Booklet through a variety of creative and innovative worksheets specially designed to inculcate critical & logical thinking, reasoning and concept building skills.

You are requested to submit **Rs.350/-in cash** towards the cost of 03 Assignment Booklets (01 booklet per term) for the session 2019-20 latest by Monday, 22 April, 2019.
