**SNAPSHOTS 1.0****AN ONLINE INTER-SCHOOL PHOTOGRAPHY COMPETITION**

Photography is considered a form of art. Students have to get creative and artistic in this Photography competition. Each class group (Classes VI- VIII, Classes IX-X and Classes XI-XII) will be given two events to showcase their vision and creative mindset. All the photographs are to be captioned and a small write up of 150-200 words describing the picture and its integration with the subject / the topic mentioned is mandatory.

**CATEGORY-1 (CLASSES VI- VIII)****Event 1A - A Game with Space** (Negative and Positive)**Integration: Science –Light (Optical illusion)**

- Negative space (also called as White space) is the area surrounding the main subject in a Photograph which is left unoccupied.
- White space acts as a breathing room for our eyes.
- Positive space is the actual subject of the photograph.
- When used creatively together, Positive & Negative spaces can communicate the composition of the photograph beautifully.
- This theme allows the photographer to use a creative combination of these spaces for an outstanding photograph.

**Event 1B - Out of the Box** (Creative Clicking)**Integration: Languages-Poetry**

- Every Photographer has his/ her own interpretation of things.
- "Out of the Box" theme allows you to think beyond the 'routine'
- Abstract Photography
- Use your creativity to think out of the box and extra-ordinarily.

**Event Incharges**

Akshita Khanna (Class X) : 9810678097

Diya Sharma (Class XI) : 9810140548

**CATEGORY-2 (CLASSES IX- X)****Event 2A- Reflection Perception****Integration: Science –Natural Phenomena**

- Optics – a branch of Physics responsible for various natural phenomena which can be captured beautifully through lenses of any camera.
- Through concept of optics we can create amazing effects to beautify a photograph.

**Event 2B- A picture is worth a thousand emotions****Integration: Languages-Emotions**

- 'Navras' is an age old Indian concept of emotions/a gamut of expressions that every human being feels.
- 'Navarasas' means 9 Emotions in which Nava signifies nine and Rasa signifies emotions.
- Photography can be the medium of capturing genuine emotions in a frame.
- One of the most powerful, yet difficult elements to master in photography is capturing emotions and feelings.
- A photographer's photograph is considered, when it tells a story and tugs at the heartstrings.

Akul Khanna (Class XI) : 9930458159

Sukanya Mukherjee (Class XI) : 9354516929

### **CATEGORY-3 (CLASSES XI- XII)**

#### **Event 3A - Shutter-Up (Glimpses of Grace)**

##### **Integration: Physics-Laws of Conservation of Angular Momentum**

"Grace comes into the soul, as the morning sun into the world, first a dawning, then a light and at last in his full and excellent brightness." -Thomas Adams

- Graceful means anything that shows grace and elegance.
- Photographic skill- Motion Freeze Photography
- For instance – Physics concepts like conservation of angular momentum, impulse rotational and linear motion etc. may be integrated.

By using motion freeze photography, the participant must capture graceful glances of people or even the nature. That's what the theme is all about.

#### **Event 3B - Light in the Dark (Light Painting)**

##### **Integration: Physics-Light**

Light bulb, invented by Thomas Edison, is a boon to the human kind. This light is a key factor in photography and also used to give a stunning effect to the photograph.

- Requirement – Light Painting
- For the light to exist there should be darkness. Hence, our theme 'Light in the Dark' allows the photographer to creatively use lighting with coordinated timing of camera for capturing remarkable photographs.
