FOUNDATION DAY MESSAGE

Good Morning Bal Bharatians..!!

My warm greetings on the 29th Foundation Day of the school.

Based on the original meaning of the celebration, this day is a designated date (chosen date) on which celebrations mark the founding of a school.....with us 28 years gone by.

Today, this day instils in us and gives us a sense of history to remember our school, all the more during the lockdown period, we are remembering it more, and be it the alumnus or any staff member or any student, the time spent in school by each one of us has been a memorable one.

A school celebrates its Foundation Day to reminisce and to honor its establishment. Bal Bharati Public School, Noida was established in the year 1992 under the aegis of Child Education Society. To have a sense of history, it is very important to know where we've come from. Hence, on this day, we are reminded of how the school was formed 28 years ago. Today, we are also reflecting on the very early days of the school and how far we have come as a school community. And so, we have our stories of joy, of sadness, and of sense of achievement with gratitude in this Lockdown celebration. I still remember the joy of teachers and students running in and around corridors having produced the national topper(s) on declaration of board results. I remember sports department going hip hip hurrays on winning so many accolades. I remember winning the heritage quiz and the joy is so fresh and vivid floating in my eyes.

On this Foundation Day, sitting at home in this lockdown period has given us a sense of mission and purpose. We celebrate so that we do not forget the vision of the people who established it, so that we make new again the vision which has inspired the school for the last 28 years. It is a reminder that at its foundation, BAL BHARATI PUBLIC SCHOOL, NOIDA was to be a school inspired, where learning forms students to become leaders for a transformed world-community, which is our newly updated vision also. There were many who have given so much to the School over the years. Today is therefore about remembering and honoring all who have served to make the School the place, it is today.

Third and last, Foundation Day is a day of remembrance, a day of honoring, a day to celebrate what has been achieved over the past 28 years, and a day to look forward to what is yet to come. This day stands as a reminder to us that when we forget our history, we move into an uncertain future. This date is a significant one for Bal Bharati Public School, Noida and for all of us. Today is our Foundation Day, a day etched with tradition and history. We remember, so that we do not forget. And in remembering, we become "light of the world and salt of the earth". So it is, so it will be.

In Humility
