

When things get difficult,
it's time to

At Bal Bharati, we have always seen ourselves as the joint custodians of our students' holistic well-being. During the lockdown due to the COVID-19 crisis, we are taking every step to ensure seamless academic continuity for your child, with digital tools for teaching, assessment and counselling.

We also recognise the need to work closely with you in making sure that your child remains not only safe, but also happy. With a disrupted routine and no access to friends, your child will be bored, cranky and a lot online. In such a stressful time, it is critical for adults to provide the child with a sense of stability and safety.

With this in mind, Bal Bharati has started 'Care & Connect' - an initiative to keep in touch with you by sharing ideas on how to engage your child, both at an individual level and together as a family. 'Care & Connect' will come to you every Monday. However, please feel free to reach out to us any time, with any query, doubt, concern or suggestion, simply by replying to this message.

Bal Bharati
PUBLIC SCHOOL

'Care & Connect' will cover 5 areas important for your child's holistic well-being:

- Strengthening family bonds
- Developing empathy
- Nurturing interests
- Exploring within
- Managing balance

Ideas on activities that range from structured to unstructured, online to offline.

We are with you in this journey to keep your child healthy and happy. Take care!
