

12 April, 2018

**REQUEST NOTE**

Dear Parent(s),

It has been brought to my notice that a miniscule percentage of parents have planned to give a **dharna** outside school premises on **Friday, 13 Apr, 2018**. This is being circulated in various what's up groups formed by the parents off late.

Please be informed that the **Fee Regulation Adhiniyam - 2018** has been received by the school from the U.P. Govt dated **11 April, 2018** and we need time to understand its clauses. Meanwhile, as you all are aware that the school is a centre for the ongoing Class XII CBSE Board Examination and on **13 April, 2018 (Friday)** we have a CBSE exam, wherein 120 students will appear for CBSE examination. Kindly consider these 120 student writing CBSE exam tomorrow as your own children thereby avoiding **dharna** outside the premises.

I would like to remind you for the wholesome growth and development of students, it is critical necessity to maintain a healthy atmosphere spurred by sense of well-being, understanding co-operation between school staff and the parents.

I do hope you will pay due regard in this aspect considered essential for building a strong institution.

Thanking you

Yours sincerely,  
*Asha Prabhakar*
