PARENT ID CARDS

Dear Parent/Guardian,

The Safety and Security of the students is of prime importance to the school considering the security concerns of all the stakeholders we are taking all possible measures to make the school a safe haven.

The school has deployed the Visitors Management System G2S, (Gateway 2 School Mobile) which handles and classifies the data of the visitors to the school, as parents and non-parents and helps the security guards to provide access accordingly.

The entire school is under CCTV surveillance.

Lady guards have been deployed on each floor of the school building and outside washrooms. The Lady guards remain present (Morning /Evening) in all school buses.

The school transport is GPS enabled and parents can track the School Buses that their wards are travelling in through the KLEVERMIND App.

BBPS Noida takes the safety of the students very seriously. The Parent Id cards issued during the last session (2018-19) stand cancelled w.e.f 10 July 2019. All the parents will be issued fresh Parent Id cards in the first week of July 2019 and access inside the school premises will only be possible on showing Parent Id cards.

Those parents who have failed to provide the photographs to the school despite repeated requests from teachers will not be issued Id cards, which means entry inside the school will not be permissible. Kindly meet the School Administration to resolve the issue before **15th July 2019**.

Parents are requested to keep the Id cards safely and carry them whenever visiting the school. A loss of card will invite a penalty of Rs 500/- before a fresh Id card is issued.

Parents are requested to submit the ID card at the School Reception upon withdrawal/applying for TC.
