HEALTH CHECKUP CAMP

Dear Parents,

- The human body is one of the most complex creations of God. The body functions almost effortlessly as a well programmed fuel efficient machine. We are unaware of the working of our vital organs till we fall ill or get injured. If we want the mind and body in a fit condition, free from diseases and dependencies then we must ensure that we keep fit via regular regime of healthy eating habits, exercise and preventive health care.
- As a health conscious school, we are delighted to invite all the parents and grandparents to attend a Multi-Speciality free health checkup camp under the aegis of Health and Wellness Club in collaboration with Max Super Speciality Hospital, Vaishali on 01 Oct, 2016 (Saturday) from 09.00 am to 01.00 p.m. A **Physician** and **Specialists from Cardiology and Orthopaedic Department** would be providing free consultation during the camp.

Along with this, following tests will be conducted free of cost during the camp :

- ECG (On advice of Cardiologist)
- Bone Mineral Density (BMD)
- Blood Pressure
- Random Blood Sugar

VENUES

- Registration and Diagnostic Tests : Medical Bay of the School
- Doctor's Consultation : Dance Room (Mont Wing)
- Waiting Lounge : Mont. Courtyard

The maxims, “*Sincere et Constanter*” and “*We Care*” continue to be and always be our guiding norms. Looking forward to whole hearted support from parent fraternity.

“LET US SEEK CONFIDENCE IN THE DIVINE & BLESS THE WORLD AROUND US.”
