### **PROMOTING READING HABITS**

#### **IT IS IMPORTANT TO HELP YOUR CHILD DEVELOP ACTIVE READING HABITS BECAUSE READING IS THE CORNERSTONE OF ALL LEARNING**

*"The more that you read, the more things you will know. The more you learn, the more places you'll go." — Dr. Seuss,  
"I Can Read With My Eyes Shut!"*

Inculcating good reading habits in children has always been a concern for Bal Bharati Public School, Noida. A good reader is most often an independent learner and consequently an independent thinker capable of taking his/her own decisions in life rationally. Such a learner will most assuredly also be capable of critical thinking. 'Reading Habit' in our children ensures an even widening horizon of knowledge, awareness, creativity, expression and learning

To bring books and children together is indeed a challenge, especially in today's environment of overexposure to media. The purpose of inculcating the habit of reading among children is to create independent thinking individuals with the ability to not only create their own knowledge but also critically interpret, analyze and evaluate it with objectivity and fairness.

In order to stimulate and foster the habit of reading among students, the **school library will remain open on all working Saturdays (I, III & V) from 09.30 a.m to 01.30 p.m.**

We hope you will join us in encouraging your ward to become a keen reader.
