## **REPORT ON INTER-SECTION BAL SABHA ACTIVITY: POEM RECITATION**

### **‘Poetry is rhythmical creation of beauty in words.’**

Poetry as an art breaks across grammar and syntax to create something new and imaginative for the children. It provides an adventure for the mind. Rhymes can prove to be instrumental stepping stones for young children to learn English, develop their verbal skills and boost their confidence. Keeping this view in mind, Poetry Recitation, a Bal Sabha Activity for Class III was held on August 28, 2019. Each section prepared a poem with actions under the guidance of their subject teacher on the theme NATURE. The children were given a chance to recite the poem and it was a delight to hear the little ones singing in rhyme and rhythm. They got an opportunity to exhibit their talent and confidence.
