

**PRE PRIMARY DEPARTMENT**  
**BSA REPORT (2019-2020)**  
**“Friends Forever”**  
**(Preparing a Friendship Band)**

Date: 07.08.19

Class: Pre-Primary

Venue: Respective Classrooms

The activity began with the discussion about the bond of love, importance of friends and value of friendship with the students. Our tiny tots of Pre Primary participated in Friendship Band making activity held on 7<sup>th</sup> August'19 to celebrate the beautiful bond of friendship in their respective classrooms.

The kids showcased their talent of art beautifully by making friendship bands. The students were guided to decorate the paper bands using decorative materials e.g. stickers, sequins, glitters etc., under the guidance of their class teachers. Children participated in the activity with a lot of passion.

**Learning outcomes:**

- Children learnt about the value of friends.
- It helped in enhancing their artistic ability.
- It helped in enhancing their verbal skills through an integrated activity.
