**DATE:** 24.04.19

**CLASS:** Pre Primary- I

**VENUE:** Respective Classrooms

**LEARNING OBJECTIVES:** 1. Through this activity the children will learn about the importance of trees for the survival of life on the earth.  
2. It will also help the children to learn about various things we get from trees like oxygen, fruits and vegetables, wood, medicines, flowers and shelter etc.

**RULES AND REGULATIONS:** -

1. It will be a group activity.
2. The teacher will discuss with the children about the things we get from the trees.
3. The teacher will give the pictures (outline) of the objects we get from trees, to the children to colour.
4. The teacher will paste a big cutout of a tree in the classroom wall and children will paste the pictures coloured by them over it.
5. The children will name the objects pasted by them in the outline of the tree to strengthen their learning.
6. Record of the activity will be maintained in the Class Nominal Roll.
