CIRCULAR

It has come to my notice that some members of the staff have been using mobile phones for internet surfing, Whatsapp / Facebook updation during working hours.

Mobile phones are to be used only in emergency to talk to family members during working hours and not for checking Facebook status and other applications in Mobile Phone during school hours.

Please be informed if any staff member is found surfing internet, using Whatsapp or Facebook during school hours, suitable action will be taken against him/her.

A.O. is requested to disseminate information to the support staff on an immediate basis.

It has been observed that the members of Physical Education Department while on rounds tend to ignore / conceal the information about the availability of phones with students and one such incident was brought to light recently. A strict advisory is issued to all staff members to abstain from such activities and ensure perfect discipline amongst students.
