

**REPORT ON STORY OF ORIGIN OF YOGA IN INDIA(Poster Making)**

**An Inter-Section Competition (2020-21)**

**Classes IV-V**

Good health is the right of every human being. Yoga is a group of physical, mental, and spiritual practices or disciplines which originated in ancient India. To promote the importance of Yoga, an inter section Poster Making competition was held for classes IV&V on 18 May 2020. Participating Students were guided on how to use different formatting features of MS Word during online classes. They prepared beautiful posters based on the theme of Origin of Yoga in India. The flawless presentations of students were mesmerizing with clear elucidation on the richness that yoga can bring to human spirit. Best two compositions from each section were selected for the judgement in finals.

The finalists were judged on the basis of the following parameters:

- Creativity
- Use of tools
- Relevance to the theme
- Overall presentation
