

BAL SABHA ACTIVITY (2019-20)
Event- Create a Scenery
Inter-section
Class II

An Inter Section Scenery Making Activity using MS Paint was held for the students of class II. Students were selected during their regular computer lab periods and it gave an opportunity to all the participants to manifest their potential. Two students were selected from each section for the final round(**Topic: “Diwali”**) held on 6th November,2019. The students overwhelmingly participated in the activity. It indeed was an aid in bringing up their creative excellence and expanding their knowledge in using various Tools of MS Paint along with working as a team to give the best output.
