

REPORT ON B/S ACTIVITY “POP UP CARD MAKING”
THEME-SAVE MOTHER EARTH
CLASS I & II

An online activity “Pop-up card making” was organized for the students of class 1. The activity was held on April 22nd, 2020 which marks the 50th anniversary of Earth Day, the annual celebration of the environmental movement. Therefore, to create awareness among students towards our planet the theme of the activity was “Save Mother Earth”.

Students enthusiastically participated in the activity by making beautiful and colourful pop-up cards based on the theme. The activity was done by students with the help of their parents using the material available at home. Students shared the pop-up card pictures with their class teacher.

Glimpses of the activity:

“Everyday is Earth day”

“I love my planet”

“Save Mother Earth”
