

### ***FABLES- THE GENUINE SOURCE OF GRATIFICATION***

Story Telling with Puppets, a class activity was held for the little learners of Grade-2 during the Bal Sabha Periods on 17<sup>th</sup> July 2019 in the respective classrooms.

The massive participation of students in the activity was a sight to see. The whole class was divided into a group of six students. Each group narrated a moral based story in the most appropriate style.

The stick and the hand puppets that supported the narration were distinctive in itself. The amusing approach of the little ones towards the activity was clearly visible from their level of enthusiasm.

### ***THE ADORABLE MOMENTS AT A GLANCE***
