

**PRE PRIMARY DEPARTMENT**  
**BAL SABHA ACTIVITY (2019-20)**  
**“SUMMER FUN”**  
**(RHYME TIME ACTIVITY)**

**DATE:** 08.05.19

**CLASS:** PRE SCHOOL

**Convenor: Ms. S.Ghosh**  
**Activity Coordinator- Ms. K. Sood**

Rhymes are an essential part of every culture. Singing rhymes not only keeps the traditions alive, they also teach the children to articulate words, practice the pitch, volume and rhythm and develop the listening and concentration skills essential for brain development and memory.

Keeping this in mind, a Rhyme time session was organized for the students of Pre School. The theme was” Summer Season “. The teachers discussed the Summer Season at length.

The rhymes came alive in the classrooms with the students bubbling voice, eyes, facial expressions and body movements.

It was a dramatic experience for the tiny tots as they used beautifully crafted headgears and cute little hand puppets while reciting the rhymes.

**Learning Outcomes -**

1.The activity helped developing early phonic skills, enabling children to practice and experiment with volume and pitch

2. The activity developed language , literacy and social skills.
