

INTER HOUSE TABLE TENNIS TOURNAMENT (2019-20)

(AN INTER-HOUSE ACTIVITY)

CLASSES IV-V

The Elite ladder proved to be highly competitive this year, with high-fliers students exchanged venomous rallies on both the forehand and backhand sides at the inter house table tennis competition for boys and girls that was held on the 23 December, 2019. As a sports that emphasizes endurance and reflexes above simply size and strength, people of all ages and genders can play on an equal field. The enthusiasm and excitement for the game was highly infectious, as a huge crowd of students gathers around T.T tables to cheer their houses.

The competition witnessed some very good shots, none were ready to give up, with all their might they played their best shots. Most of the matches were quite intense while we did witness a few one sided matches also. Students displayed good sportsmanship and remarkable skills throughout the event.

The matches were conducted under various categories for Girls and Boys and a massive participation of the mushrooming players from various houses was viewed by all. The School looks forward to hold tournaments of such kinds for the universal development of the students and encourage participation on full swing in games and sports.
