The school has been awarded the **BRITISH COUNCIL INTERNATIONAL SCHOOL AWARD 2018-2021** for the third time in a row.

The International School Awards initiated by the British Council aims at providing global peace and harmony through integrated learning.

My Heartiest Congratulations to the ISA Coordinators, the school staff and students who undertook very many activities under the flagship of British Council.

Through ISA activities the students have most certainly learnt to appreciate the interconnectedness between cultures, experienced collaborative working with students from different countries and develop international skills such as leadership qualities critical thinking, communication skills and above all reinstating the spirit of peace and friendship across borders, beliefs and culture.

The school has added yet another international dimension to the Bal Bharati Journey !
