### Feedback Received

Online classes are really helpful for us as it provides a platform where we can interact with our teacher and can resolve our doubts. Sometimes there are network issues due to which voice starts breaking and video gets blur but overall it is really a good initiative.

**INSHA LAEEQ**  
**XII-B**

All teachers are working really hard they provide notes and take tests through Google classroom which helps in checking the performance and progress of students in academics. They also make sure 100% attendance of students so that they don't miss any important topic.
