**BRICSMATH.COM**

BRICSMATH.COM is an online testing agency that conducts online mathematics competition for the students of classes I - XII across BRICS Countries every year. This year the competition process began from 22<sup>nd</sup> April.

All the 187 students of class III have been enrolled for the competition and their id and passwords have been generated and handed over to them.

The students are actively participating in the ongoing preparatory round from 22<sup>nd</sup> April - 22<sup>nd</sup> May,2020.

- Feedback of our valuable parents of class III on online teaching :

## FEEDBACK

Routine online classes are helping children to progress constructively with enjoyment. This decision of the school authorities is appreciable and other activities through Google school app are also helping kids to remain busy during this sensitive period. I must applaud the very responsible role of teachers in all these activities.  
Thanks

Mother of Srishti Soni - 3B

We're deeply grateful to you and Bbps Noida who are putting so much efforts to our child's growth and emotional well-being.  
You have really proved that Challenges are real Opportunities.

Kartik is enjoying 😊 this new way of learning. Apart from academics it is also enhancing his real life skills. I must congratulate entire team of Bbps for this great success.  
Good health and success for you all.

Regards

Mother of Kartik Jain 3 A)

Classes are going very good and it is a great initiative taken by the school. In this way kids are also feeling that they are studying at school and are more attentive towards their studies. Kids like you and your teaching

skills. Thanks ma'am 😊

Mother of Om Srivastava 3C

It is a nice initiative to build a platform where kids and teachers had a good interaction. These online classes are new for kids but they learn something new on daily basis and it will boost their confidence too.  
Thanks for your hard work and looking forward for your continuous support towards these online classes.

Best regards,

Father of Ansh Maurya 3B

We are of the opinion that it is adding the values and probably the best option in the given circumstances.

Mother of Sonal 3D

## FEEDBACK FROM PARENTS ON ONLINE CLASSES-PRIMARY DEPARTMENT

### Parent of Class II-A

"The classroom being held in the current situation through net is the best alternative to keep the children connected to the school and studies. My heartfelt acknowledgement to the school and teachers."

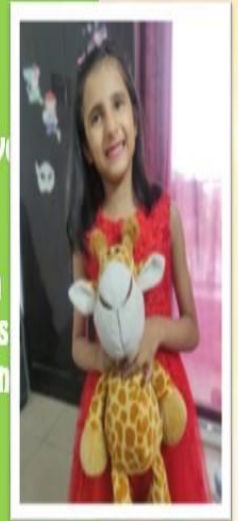

### Parent of Class IV-A

"I am grateful to the teachers for putting up their best efforts to teach students. Lectures made by teachers are very helpful. Based on the lectures children are setting assignments which help them to recapitulate."

### Parent of Class II-B

"It was a great Session and informative session. The way you have explained everything is so amazing that I am sure all the students must be understanding it. Well done...!!"

### Parent of Class V-A

"The activity of paper cup about large numbers was very innovative initiative. It made children understand the concept in a very easy and imaginative way. It was a very practical and creative way of teaching."

### Parent of Class II

"I love the way you teach and you always push my child to be the best that she can be. I really appreciate your hard work and dedication"

### Parent of Class III-B

"My child always wait for this class and she has also shared this with her friends. She enjoyed the way Maam had taught her to make the puppet. I am really thankful to school for providing this platform"
