

**ACADEMIC SESSION 2020-21**

**CLASS I**

**FORTNIGHTLY REPORT: 24<sup>th</sup> August 2020 to 4<sup>th</sup> September 2020**

Students actively participate in the online class being conducted. They are always happy to see their class teacher and friends online on the google meet platform. The day starts with the prayer followed by the teaching of content by the teacher. They take lot of interest in watching educational videos and colourful pictures related to the topic taught in class. Various hand on learning activities like Badge making, thank you card, drawings were also done in the class. Students also actively participate in the co-curricular activities like art, music, dance, physical education etc.

### **ONLINE PTM (ROUND-1)**

For healthy development of a child, a parent teacher interaction was scheduled starting from August 24<sup>th</sup>, 2020 in a staggered manner through google hangout meet. PTM slots were allotted as per the roll numbers of the child and shared through the class teachers. Agenda of the PTM was attendance of the child in class, online safety and security of students, netiquettes, academic performance and progress and mental health of students. Parents of class 1 students were very happy and delighted to attend the online PTM sessions. With online classes going on during the lockdown period, it becomes very important that the parents and teachers should work as a team for overall child's growth. Online PTM sessions served as a medium for parents to interact and discuss about various aspects with the teacher.

To ensure the overall development of student's personality, various co-curricular activities were made the part of the curriculum. Students are always excited to take part in these activities and are always very keen to share their videos and pictures with the class teacher. These activities explore their interests and enhances the creative skills among young learners.
