PTM

For the healthy development of the child, interaction between parents and teachers is a must. To facilitate this, Parent Teacher Interaction was scheduled and conducted from 24th August to 31st August, 2020 through Google Meet. Fixed time slots were shared through broadcast groups for the convenience of all.

Agenda

- R -1 assessment
- Performance/Progress of the students
- Academics
- Attendance in class
- Evening classes

❖ Not only did we receive an overwhelming response in terms of attendance of the parents but their positive feedback and appreciation for the school shows the extent of their support in us.

Special Education sessions were planned as per the individual needs and capabilities of each student. The plan included activities to enhance the reading fluency and comprehension skills as per the grade level. One session per week was taken by the School Counselor to supplement the academic growth of the students. Worksheets were provided by the counsellor related to reading comprehension and sentence construction. Students were encouraged to engage in physical indoor activities.
