This week activities are special learning specially corona awareness to kids. Even though kids are also experiencing this from first lockdown time, but class activities made them more familiar about it. they became more learned about how to wear mask, use sanitizer and wash hands. they enjoy corona song as well. we think this learning is much more important. Thank you mam 🙏🙏

Hello mam,
Online class is very nice for children and Aditri is enjoying so much in class .. She is doing so good. We are so happy to see the growth in her study in last few months. Also we are appreciating your teaching methods . Keep your training with the kids and encourage them. Special thanks for arranging extra curricular activities for more practical knowledge. Thank you so much for your efforts. 🙏

12:50 pm

Manan Goyal(PP2-C) really enjoy online classes because there are a lot of fun and easy to understand for him. The worksheet assignments are very beneficial to the entire learning process. Online classes are straight forward, well organized and interesting for children. Thanks for nicely arranged these classes in more attractive and informative manner. 😊
