Hello Ma'm ... the activities this month were quite engaging.. It kept the festival spirit high even in this covid situation. The Diwali and Dusshera songs were superb and everyone in the family were amazed to hear the song in his cute voice. He enjoyed every session while loved the drawing activity the most. Thanks to whole bbps

Online classes are going wonderful, I really appreciate the way you are teaching and handling the kids. This shows your expertise in the field. In this way kids are getting attached with the teacher. I think there is no other better way to make kids learn n develop during these days Thank you.

Ma'am I am short of words for your guidance to little babies and to us, the parents.

I will forever want to be your student, literally and learn from you the sacrifices and hard work I should make for my kid to grow...

Thank you Ma'am...your soft words and motivation will remain treasure with me 🙏

P/O Aarvi Verma PS C

Ma'am you are true example of friend, philosopher and guide. The energy that you put on while teaching is excellent. I would appreciate your way of giving Individual attention in virtual class.

Kids love the activities done in class. I myself feel that, they learn more from the activities. With children we too learn making such lovely and nice crafts... For example we did boat making... Making waves was awesome idea ... In the fancy dress activity- transport theme, they dressed up and learnt new things about the transport. Mam's efforts are counted.

Aaradhya actually listens to mam and follow her rules. Hats off to u mam for handling these kids onscreen. Hats off Meena Mam.

P/o Aaradhya Saxena PS E

Thank you so much Ma'am for every single steps and valuable guidance you are providing to our tiny tots. Aaradhya eagerly waits to see you and enjoy with you every morning..she searches for the bindi on your overhead,abra ka dabra, appealing voice and fire in the mountain games and dialogue based stories...so on...she loves

to be with you Ma'am 🙏
