Keshav really enjoys the classes. The way you teach kids in a story telling way is really appreciable. They could relate things and retain it.

P/O Keshav Sharma PSD

In the last two weeks, Ketavya learnt new sight words and the number zero. The concept was introduced in a novel way which Ketavya understood easily. He now understand the difference between opposite words far/near, small/big and long/short. Ketavya's vocabulary has increased.

Thanks to all the teachers for keeping their enthusiasm going and not getting bogged down by this covid virus. Cheers to their spirit.
