

ACADEMIC SESSION 2020-21

CLASS I

WEEK: 27th July 2020 to 8th August 2020

Focus laid on subject enrichment activities and ongoing assessments to analyse the achievement level of students. The prompt responses of learners during assessments prove their grasping ability and endeavour of all towards their advancement in academics. Real time online classes have become a part of daily routine of the students and teachers in a positive step towards technically sound computer Aided Learning (CAL). Students are enjoying the work shared and all the teething problems of virtual teaching are slowly being overcome by everyone involved in the process. Students actively participate in the online class that are being conducted.
