## **Valuable Feedback from the Parents**

I am very delighted to see online classes are going smoothly and upholding our Prime minister's dream of Digital India . The level of interaction is very good in online classes and teachers are very dedicated in their teaching schedule. Timely assignments are given and proactive assessment is going on .

I would like to thank all the teachers and Principal Madam for their contribution in this critical pandemic situation that they are working hard to engage with children daily and ensuring their study is not impacted.

At last I want to say, students are also enjoying with this digital way of teaching which will help in their future building and professional career .

Regards,

## **Valuable Feedback from the Students**

The teachers are providing full support to clear our doubts. The various quiz, online activities help us to stay engaged. Although the online classes are good, but we are waiting for the school to reopen.

Sometimes the network issues cause a lot of problems as the microphones of many do not work and they are not able to communicate with others. Sometimes we are not able to join due to network issues.

Gauri Gupta  
VIII A

I am very happy attending the online classes and really appreciate the efforts made by our school and teachers to continue our studies in the lockdown.

There is only a problem when I can't hear what teacher is saying because children keep their mics on and the noise from the background disturbs while hearing. Although the teacher repeats but teacher should see who is keeping his mic on when not in use and also forward his name after several warnings.

I really thank all my teachers for their effort which they make for us for continuing our studies.
