Valuable Feedback from the Parents

My daughter has joined Bal Bharati Public School, Noida in this academic session 2020- 21. We are quite happy with the help and support given by the teachers and the management of the school.

In these trying times when we are in confused state of mind, the school is helping in all possible ways. Vaishnavi is attending all her online classes regularly and is getting all the assistance from her teachers related to assignments and helping material.

Our special thanks to Ms. Rajni, the class teacher of VIII-B for sending us all the circulars and giving all our queries a patient hearing.

It is also heartening to see how the non-scholastic teachers are helping the students in unwinding. Thank you once again and I hope the help and support will continue further.
Warm regards

Sudha Pandey, Mother of Vaishnavi Pandey, VIII B

The online classes are very interactive and useful. These classes help the students to maintain a proper time table. Teachers have friendly nature which helps students to easily communicate with them. They teach very well and clear all doubts of students as well.

Assignments given are very good and help children keeping the pace with the syllabus. It also keeps them busy. However, it increases their exposure to the computer screen but now they are using that time fruitfully.

Preety Rastogi, Mother of Gunjan Rastogi, VIII A

Valuable Feedback from the Students

I really like the initiative taken by our school in conducting Online classes.

Although we are not going to school but we are provided all the facilities which are making us study more efficiently and the assignments help us utilise our time during quarantine and make the best use of it.

Aneek Kumar, VIIIA

I am very happy by attending the online classes and appreciate the efforts made by the teachers

Sometimes while the teacher is presenting on the screen the screen is blurred and the voice also starts to break down.

Darsh Srivastava, VIII C
