I would like to pay my regards to all
teachers who are taking online classes. It is
a big task to keep the child in touch with
their studies in this pandemic situation.

We would like thank the administration of
the school as managing the academics in
such a new manner is always challenging
and needs lots of hard work behind the
camera.

Valuable Feedback from the Students

Online learning is indeed a new
and exciting way of learning for
me. I am not at all missing school
even in this lockdown.
Initially, I felt that it would be
tough for us to study but slowly
we have conquered this new way
of learning with the help of our
teachers.

I would like to whole heartedly
thank all our respected teachers
for keeping us engaged and
enlightened.

Class- VII B

During this unprecedented COVID pandemic days, it
is a great initiative by BBPS Noida teachers to
implement the idea of online classroom through
Google Classroom/Google Meet app.
With this, we are getting regular and timely
academic inputs by way of online lectures, Study
materials in pdf form and regular assignments. The
biggest advantage is that this precious time of the
academic year is not wasted even after countrywide
lockdown.

Further, our time and energy is being utilized to full
efficiency in studies as daily bus travel to school
and morning rush in getting ready are avoided.

I am thankful to teachers and staff of BBPS, Noida
for enabling the online class's modules in least
possible time and implementing it innovatively.

Yours sincerely,
