Valuable Feedback from the Parents

For a human being the burning desire to learn has no boundaries. No matter where you are - you can continue to learn and grow. Lockdown has caged our physical self but it could not chain our spirits and mind. Bal Bharati Public School Noida has always encouraged students to be - learners and doers. The impeccable teaching and extensive study materials provided by teachers is praiseworthy indeed. Not just academics, co-curricular teachers are also equally admirable for their timely classes and innovative assignments. We would like to eulogize the management and staff of BBPS Noida for making online schooling a hassle free learning system.

Regards
Parents of Diya Rajan, VII B

It's a nice experience. It was a totally new experience for us and I think the same with you people. It was a great effort from the BBPS team and things are shaping really well in these challenging times.

Parents of Jignasa, VII C

Valuable Feedback from the Students

When the entire country is under lockdown since last one month, this system of online classes has come up as ray of hope saving the students academics.

It is a very user friendly platform where teacher and students can interact very easily and also can upload assignments.

This virtual platform where we can see our teachers live gives us the feelings as if we are sitting in our classroom.

Sanjana Suman, VII B

The Google classroom is really helpful in current situation. The classes are helping me very much with my studies and are providing us a platform of Technology where we can interact with others.

The teachers are really helpful and are available every time to clear our doubts

Thank You.

Anshika Tiku, VII D
