WarmUp Sessions

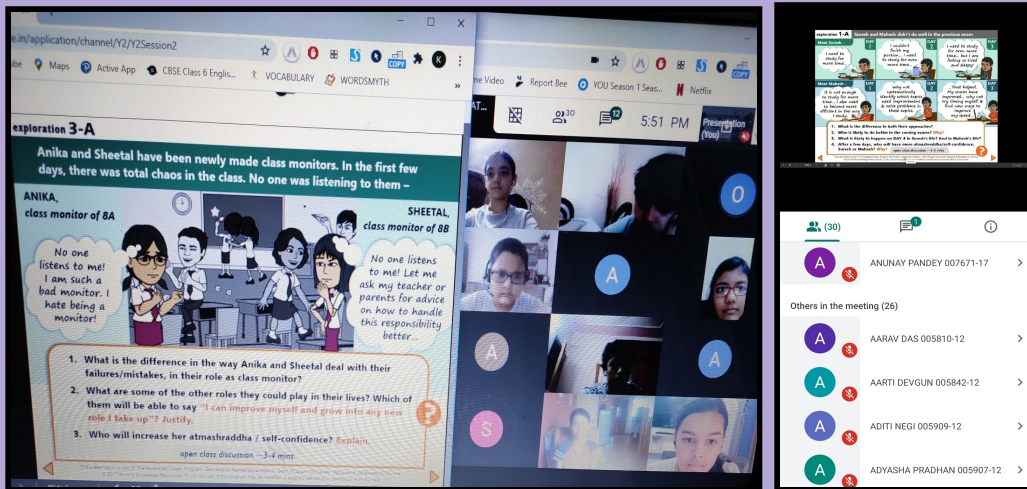

Commencing the day with good health!

Students begin the day with a warm up session of 30 minutes to keep their body fit and mind sharp.

Awakened Citizen Programme

Session 3 (21st July 2020)

Online Clubs

ATAT Tinkering Club

- Introduction to 3D designs
- How to make 3D designs on Tinkercad
- How to make a keyring in Tinkercad

Art & Craft Club

Students were taught the handling of water colour in detail, the techniques and the difference between water colours, acrylic colours and oil paints was explained. Lotus drawing and water colour demonstration was given to students to make them understand the techniques to use the water colours. How shading and depth can be shown, the variations, when to apply colour at the top of the other colour, wet on wet technique, how transparency can be retained and how water colour should look like water color not poster color. All the details were explained through the demonstration

Cultural Cooking Club

During the cultural cookery club for class 6 , students were taught to make 'Masala Papad Cone'. A nutritious dish rich in Proteins, Vitamins , Minerals and Fiber and yummy too. All students prepare the dish and relish it with their family.

Dance Club

Students were taught basic steps of Chhau and taals. Students were taught padhant and footwork of teen taal along with Hasta Roop. They are also learning choreography of the patriotic song 'Des Rangeela'.

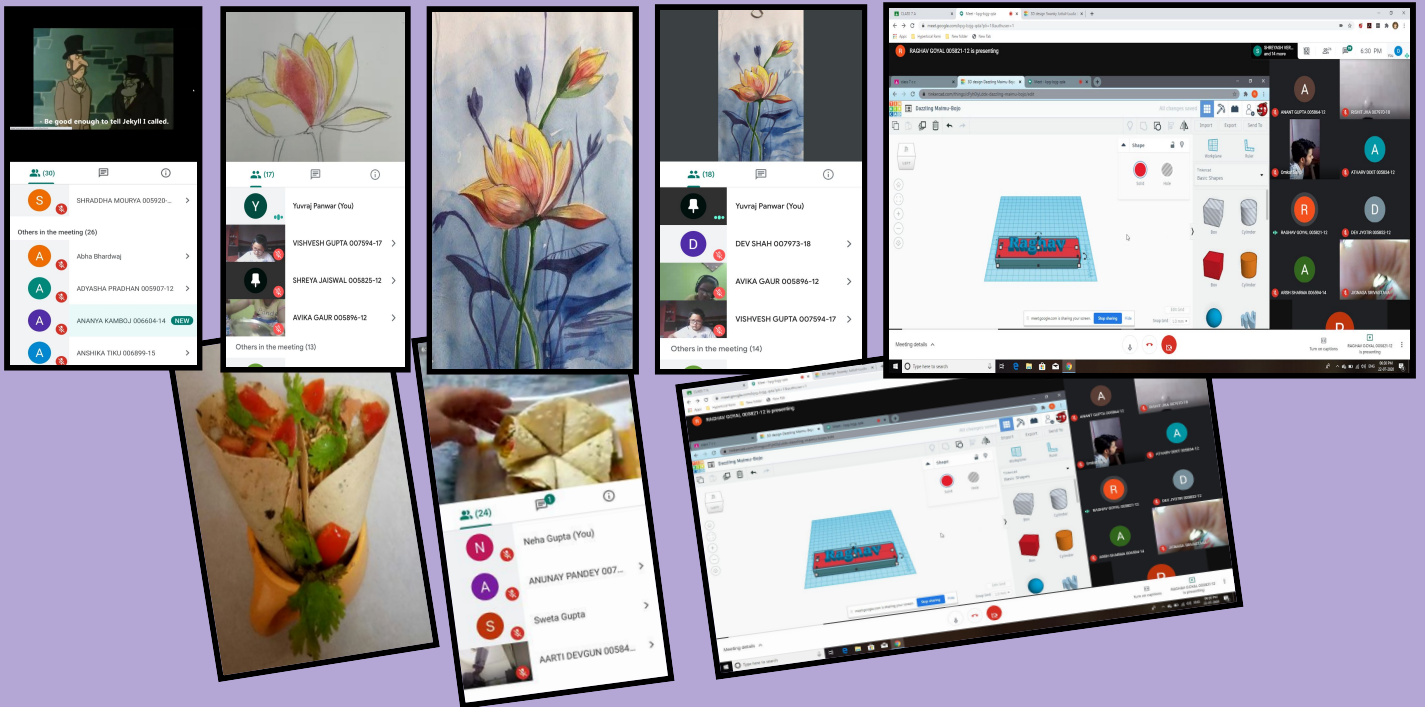

Reading Club

This week, the students of Class VII read the classic book 'Strange Case of Dr. Jekyll and Mr. Hyde' written by Robert Louis Stevenson. A video based on the book was also shown to them. In the upcoming week, students will critically discuss the analysis of the book.

Music Club

The online Music club takes pride in making a difference in our student's musical abilities and in our student's appreciation of music. We commenced our initial classes in showing them the different styles of music, introducing them to different styles, tunes and rhythms. Guru Vandana was followed by lessons in patriotic songs which instil a patriotic fervour in the students.

Glimpses of the Club Activities

Valuable Feedback from the Parents & Students

Though this a tough time to study, but our teachers are working very hard to ensure that we can understand each and every topic clearly. Online classes are really amazing as we do not feel that we are not present in school. We are having a great experience and also not only students but parents are also learning new things about technology.

Thanks and regards
Himani verma, 7D

Our feedback about Online classes are:
- Good to have study during Lockdown as learning should not stop.
- Students are also getting benefit with online classes.

It's a win-win situation.

Parents of Ranveer,7C

These online classes help us to learn, create , read and understand about different subjects , creativity , clubs and different new activities like drawing and colouring . It also helped me to read books of moral values .

Thank you
