# Online Clubs

## **ATAT Tinkering Club**

The Tinkering Club has been set up with an objective to foster curiosity, creativity and imagination in young minds and inculcate skills such as design mind-set, computational thinking, adaptive learning, physical computing etc. Young children will get a chance to work with tools and equipment to understand what, how and why aspects of STEM (Science, Technology, Engineering and Math).

## **Art & Craft Club**

Students got an opportunity to learn, draw and paint different forms of Art. Weekly online club session included watercolor painting.

## **Music Club**

Focusing on the basic lessons of Carnatic Music and developing the complete practical knowledge. The weekly session included the introductory lecture on the importance of learning music.

## **Cultural Cooking Club**

The club imparts knowledge about a wide variety of cooking techniques. Students feel a sense of accomplishment and pride. The weekly session covered Balanced Diet and making of Nutritious salad.

## **Dance Club**

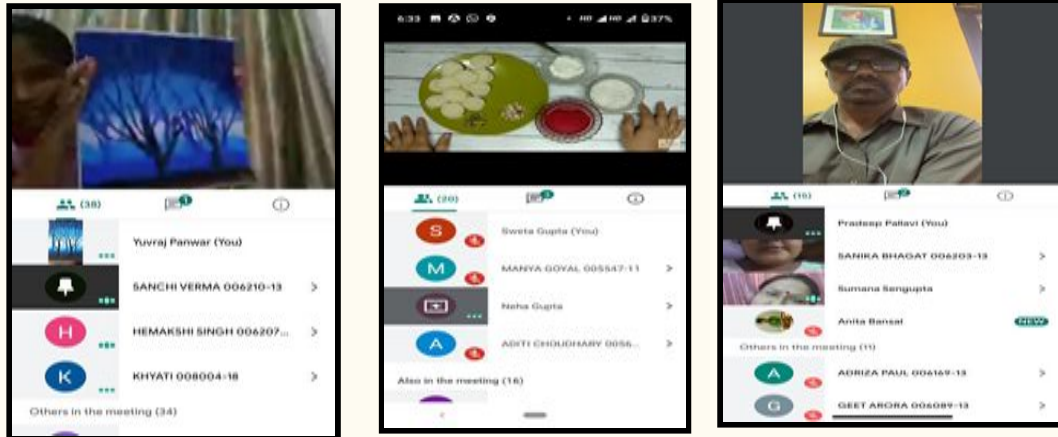

A recreational activity club incorporates different dance forms through online sessions. Students' learned about the basic dance steps on the beats of Tabla.

## **Reading Club**

Reading Club creates the opportunity to enter in the wonderful world of Literature and discuss the wide range of genres of the books read by the students. Weekly Online session was an introductory session wherein students shared their opinions on the different books read by them.

## *Glimpses of the Club Activities*

## *Valuable Feedback from the Parents & Students*

As shared earlier also, the online classes are very much participatory in nature. All the teachers put their best to ensure attentiveness of students as well as to make the class child friendly.

M/o Karn Srivastava 6A

All the classes are good. Everyday, I get ready quickly and wait to meet teachers and friends online. Though, I miss school and ask mother when will COVID go and school will reopen.

Karn Srivastava, 6A

I think the online classes we have are fantastic. I noticed we don't use Zoom as there you can send private messages, so that children don't chat. I understand it must be hard for the teachers to manage the students virtually and I am in awe that they can do it. Every day I look forward to my classes. The best thing about this is it's almost as nice as normal schooling! All I miss, though, is seeing my classmates and the bus ride to school.

Aditri Misra 6B

The online classes is very good going ....my child is understanding everything.....and what the teacher is teaching is very clear and in easy way .....

Parents of Sneha Prajapati 6B
