Valuable Feedback from the Parents

The ongoing pandemic has turned our world upside down. But the way teachers are rendering their duties dedicatedly, even during this tough time, calls for a special mention. As a parent, I am content to see my child receiving proper guidance and attention from their teachers.

I know it's tough for us to adapt to new conditions but I see the teachers of BBPS Noida working hard and ensuring education is delivered at all cost. Kudos to all the teachers for their wonderful effort and dedication.

I am hoping good for all Bal Bharati Noida Parivar , they are busy at home trying to provide an education system of routine for children. I appreciate their diligence as they are managing such a great battle.

My son is taking online classes near about 1700 km far away from NOIDA in Hyderabad.

He is regular with classes, sometimes some technical issues arise, but he is managing this with his own wit. Now it's our daily job to send links to him and manage online. It is a life time experience for all. We all have to be positive and stand together to fight with this KOVID -19.

The learner always begins by finding fault, but the scholar sees the positive merit in everything. Yesterday is not ours to recover, but tomorrow is ours to win or lose.

Valuable Feedback from the Students

I love & enjoy these online classes. We are forced to stay at home due to this lockdown.

Even then our teachers are working doubly hard for our benefit, so that we don't miss on our studies.

Thank you all the teachers!!!

I am enjoying my online classes. I am happy utilizing my time by learning.

I think all of us should mute our microphones and may open when have to ask something.

Ma'am, I think that all the students should not write unnecessary messages in chat box.

Thanks ma'am for teaching us with such a great effort.
