Valuable Feedback from the Parents & Students

Dear class teacher, this is to bring in your kind notice that we are really satisfied with the way Bal Bharati school Teachers are handling my boys (Trijal & Prabhav) during this Lockdown phase. The current schedule of online classes, the sincere involvement of all the teachers, the interactive style of teaching.....with a beautiful mix of 'carrot & Stick' policy of teachers with all the students...is really really commendable and deserves appreciation.

Evening co-curricular activities classes deserves special mention. Yesterday I myself attended 'Awakened citizen' session along with Trijal and I would say it's a superb effort by Bal Bharati Noida in building the value- laden students.

Our pride in our association with Bal Bharati goes manifold when we get to know, in our friends circle, about the way other schools are handling their students.

Just wanted to thank the entire staff for their efforts. Sheevendra & Neetu.

I think online classes are an innovative way for education. Like a class I can ask questions using chatbox. Moreover, videos shown and activities demonstrated in the class make learning easier and topic interesting. There are extra- curricular sessions also like 'Awakened Citizen Program' orienting us on good citizen's role. I look forward to attending daily classes.
