## **Valuable Feedback from the Parents**

Online classes are a good initiative to ensure that there is no academic loss for students due to lockdown.

I see my kids are fully engaged and taking classes seriously, evident efforts from the teachers as well in keeping the students engaged during the online classes.

We can improve it further by using the calendar facility wherein teachers can post the schedule and link for the classes in advance.

Kudos to the school and all the teachers as I see the classes / sessions are being held out of school hours also.  
M/o Suvan Deb ,VI-D

This is an outstanding effort and contribution especially considering the situation in which we all are in. The coordination and composition is outstanding.  
Many Congratulations! Feel proud.
