CLASS-I

## ACTIVITY- STORY TELLING

A story telling session was organised for Class-I on 16<sup>th</sup> May. It is one of the most effective ways to communicate with students. It can be used to inform, educate and entertain. A story stays with the children much longer than facts. Teachers in full swing narrated stories using puppets, images and not the least their voice modulation to highlight the effect of the tale.

An overwhelming session, thoroughly enjoyed by children.
