INFORMAL ASSESSMENT

The Informal Assessment held for Class –I students has received a notable rejoinder. The students put forward their academic excellence in various language parameters in the best possible way. Their performance was observed and accorded an appropriate remark by the examiner. This assessment indeed has added on to the students learning outcome and therefore, befits the scholastic obligation. The assessment schedule was disseminated w.e.f. 19th May 2020 to 27th May 2020. For the execution of assessment an audio/video of age appropriate poems and story has been uploaded on Google Classroom.

RECREATIONAL SESSIONS ON SATURDAY

Dance and sports sessions were organized for class 1 on 23rd May, Saturday. It is good to have destressing activities along with academics. While sport increases strength and flexibility, Dance class focuses on position and alignment. Activity teachers did their best to make all children participate and children enjoyed dance and yoga classes with glee.

ONLINE INTERACTIVE PTM

Parents of class 1 students were very happy and delighted to attend the online PTM sessions.

With online classes going on during the lockdown period, it becomes very important that the parents and teachers should work as a team for overall child's growth. Online PTM sessions served as a medium for parents to interact and discuss about various aspects with the teacher. Parents had better understanding of learning outcomes, books and notebooks and Informal assessment schedules after attending the PTM sessions. All the students were given individual time slots as per their convenience and the queries and concerns of the parents were resolved.

GLIMPSE OF ONLINE PTM SESSIONS

FEEDBACK OF PARENTS ON ONLINE PTM

Though the teaching mode is online but still we feel like our ward is being observed and accurate feedback has been given. The warmth with which you have interacted with us in a very short time, has made us very happy.
Tarun Rathaur, Class 1A

The PTM conducted online was quite informative and well managed, communication even though on online platform was effective
Avni Gupta, Class 1E

Online PTM was great....I never hoped that you could have observed each child so closely during the classes...as it is so difficult to observe the kids while teaching...according me u did a great job ma'am.
Ishanvi, Class 1C

The PTM was well organised through the online platform. The link was forwarded on time, the ease of talking to the class teacher was seamless sitting safe at our homes.
ANSHIKA ADARSH, Class 1D.

Good Interaction with the Class Teacher on one on one basis. We had couple of questions which were answered with patience by Mam.
Devansh, Class 1E

CFSI REPORT

Home based intervention plan was implemented through online sessions, conducted by special educator for the Students enrolled with CFSI. PTM was held for CFSI students during this week to discuss the progress of the child. Reading and writing up to 4 letter words in English and Hindi was encouraged. Addition and subtraction were taught using tangible items. Students were encouraged for indoor games and activities. Worksheets were provided considering the need and capabilities of the children.

To ensure the overall development of student's personality, various co-curricular activities were made the part of the curriculum. Students are always excited to take part in these activities and are always very keen to share their videos and pictures with the class teacher. These activities explore their interests and enhances the creative skills among young learners.
