PERSONALIZED TEACHING

Following FICCI guidelines to conduct online classes in primary we have added another feature to existing online model where we are having small group interactions with students every day in the evening .This has been done to assess individualised learning outcomes and difficulty faced by students during online classes. Parents can also take part in these interactions to give their valuable inputs.

**PARENTS' FEEDBACK ON
PERSONALIZED TEACHING**

This is another appreciable initiative from the school. Looking forward to make the most of it.

Thank you
